

WHITE NIGHT IN PARNELL

A vibrant festival of free on-street art in Auckland's Creative Quarter

ONE NIGHT ONLY
Saturday 16th March 2013
6pm – Midnight

White Night will transform Parnell Rd with 17 visionary art projects. Watch the streets & courtyards of the historic village come alive with performance, interactive projects & site-specific installations spread along Parnell Rd from Fraser Park to the Holy Trinity Cathedral.

Be captivated by Sian Torrington's monumental nest entwining one of Parnell's iconic trees; get creative with an interactive project that invites visitors to make their own sculpture; engage with the illuminations of 3 amazing light-based works from *Art in the Dark*; celebrate the night with Brit Bunkley's uncanny dancehall projection; visit site-specific projects from exciting artists including Lang Ea, Ross Forbes, Daphne Simons & Mark O'Donnell, Paul Walsh; & much, much more.

With on-street art ambassadors, bar & restaurant specials & all galleries open until midnight this is a great night to stay up late in Parnell!

ALL AGES ARE WELCOME FOR THIS ONE-NIGHT ONLY EVENT.
MAKE SURE YOU'RE ON PARNELL RD FOR WHITE NIGHT!
